

# LEND - A - HAND PROGRAM

## of Hawfields Presbyterian Church

### Help Request Form

The Service & Mission Committee needs you to identify yourself if you are in need of some help around your home. We want to serve our members who could use a helping hand, but we don't know who you are and what you need done! Often people are reluctant to ask for help, but remember what the scriptures tell us. We are told to "bear one another's burdens" as well as "Ye have not because ye ask not."

**PLEASE ASK US!**

Please use this form to let us know what you need to have done. A check-off list of tasks we can offer is below. **\*\*\*Please check all of the tasks you would like help with and turn it in or mail to Attn: Foxie Harper at the church office.\*\*\*** We can then arrange for volunteer helpers to do the work.
